

October 2026 Newsletter

Greetings from FES Staff:

Thank you to all families for your continued cooperation as we begin another school year. We have such a supportive school community, and we appreciate the acts of volunteerism, kindness, and collaboration that are shown daily. Please feel free to reach out if you have any questions!

Safe Schools Week:

During the week of October 19-22, 2025, we will be highlighting safety components relevant to children and the school community. We will also reinforce bus safety and playground safety. Students will participate in fire drills and an alternate site evacuation. The classes will be debriefed to make sure all understand why we practice safety. We will have the local Fire Department visit during this week.

Safety on the Bus:

We will be doing bus safety exercises throughout the month. Please remind your child how important it is to follow bus rules and make good choices on the bus. The safety of all children is a priority!!

Dressing for Outside:

Although we have had beautiful fall weather, the weather is changing quickly. The mornings are beginning to be very chilly, so it is important for students to bring a warm jacket, hat and mittens/gloves. It is also a great idea to have an extra change of clothes (socks, underwear, pants) in their bookbag.

Home and School:

Our Home and School continue to provide support to staff and students at FES. They are also in the process of planning a Halloween Party for October 28th @ 6:00 p.m. More details to follow.
